I become wetter and wetter, and slowly begin dripping a little, too.

MAKING SUMMER LAST

Only a couple more weeks of summer vacation are left and I'm trying to make the most of it. I've been sunning at the beach in Key West all summer and staying in reading all night. But tonight, I told myself, it's going to be different. I'm going to Bastille, a huge mega-club a couple blocks off the beach. The name is kinda weird but the place is hopping and I like the atmosphere. And did I mention there were lotsa guys. There were some great looking guys. Guys with the perfect hair, perfect smile, and perfect body, too. I wanted them to talk to me, but I also wanted them to take it one step further. Be discreet and don't only buy me a drink, but slide between my legs a bit showing some slight romantic interest in me.

I hadn't got laid all summer, but that may have been my fault. I didn't feel like talking to anyone during the day because the sun was too hot and I was sweaty. Who'll talk to a girl with sweat running down her body? So I got myself ready for the club. Smell nice. Wear that new perfume. Get into my shortest dress and highest heels. The right man will notice all this. All the time I took to get ready for him. I'm waiting in anticipation for you,Ikept telling myself. I'm more than just hungry for the right person, I am desperate for that man who wears the right cologne, walks up, and slips between my legs rubbing my neck as I sit atop my barstool staring into his eyes. There is a desire running in me. It's mounting, gradually rising, and should I say it is becoming a raging mad ball of fire within me. As I become hornier for him, I watch one after another walk past me, I become wetter and wetter, and slowly begin dripping a little, too. The moisture within has built to an incredible amount that is soaking the crotch in my panties.

Two plus hours have come and gone and I've looked around but no one, yes noone, has approached me this night, so I am going home. I really like the bartender. He has been sweet and gracious. He was not beautiful, but he was nice and gracious.

He told me at the very last minute he'd ask me out if conditions were different. I thought I would have fucked him only because I was bored, lonely, and already horny. That was making it an easy decision. I wouldn't tease; I'd simply fuck him for the fuck. Oddly, as I walked out I turned around and looked back at him. He was looking at me with a smile and he waved. It was a nice wave.

I didn't take advantage of my situation which was a good idea, maybe. Sometimes I thought I wished I had. Just as I got into my car, some guy yelled out asking me if I was leaving so soon. I thought that was bold but told him – sorry, yes I was. He said he wished I would have stayed so we could have danced. He was cute and was working that night.

I was disappointed. I asked the girl behind it and she said he was coming in soon to help out if it was busy. I smiled because I was relieved. I needed someone to talk to. She and I talked. It was an extremely slow night. There were

the foundation for me playing and getting off that night at home.

I thanked him in my own way but obviously not face to face. Using my imagination, my orgasm Saturday night was while I slow danced with the guy who yelled out at me earlier. I climaxed while slow dancing with him. The orgasm was wild. In my fantasy, the guy was happy and he could get me to orgasm while we slow danced. All he did while we danced was fingerfuck my clit, going underneath my skirt and I loved it. I always love my fantasies. I've come up with some doozies, I think.

Thursday, another boring day, I told myself. I called an old friend who I knew to go shopping. I was going to ask her to go to the club but didn't. I went shopping with her but she and I really didn't have much in common and by day's end it wasn't that much fun so that is why I didn't. Friday was another boring day. The summer days were passing fast. Was that a good thing? I didn't go clubbing at first. But by 10pm, I gave in and went over to the club.

Going into the club, I walked over to the bar. He wasn't two on duty, her, and another guy. He was new, but she told me he was experienced. I thought, since I was bored and lonely, "how experienced is he?" She knew right away what was going through my mind and giggled. I didn't know what she meant, but I realized shortly afterwards she meant she would take me home instead, or she could come home with me and have sex with me. I've never had sex with another female before although I goofed around in college back when I was a freshman and sophomore, but not as a junior. No, not this year I haven't. Things are different this year. I thanked her and told her maybe I'd think about it. She said it was alright and understood.

The bartender's name is Jason. He comes from a nice family. He and I wanted one thing. He and I were both bored lately and lonely as hell. I asked him what he wanted and he answered almost the exactly same way. He had big hands with long slender fingers. It suggested to me only one thing, but I was wrong to a degree. I was not disappointed because I was horny and anything would do. He was horny too. We didn't waste time as Jason made the first move. He leaned towards me as I watched his eyes close in on mine. It

was beautiful.

He and I sat on my couch talking as he took the first step. He looked around my room and noticed how modestly decorated my room was adorned. While I looked with him, he laid his hand on my thigh moving it across and down to the inside of it. I happened to be wearing a skirt similar to the one the other night. Lightweight and cotton, person could blow at it and it would float up in the air almost. I liked it because of it's free floating texture. I liked it because the skirts always put me in a cheery mood. He liked it too because to him, I'm sure, it was an invitation to sex. I subtly opened my legs up allowing him some movement, and then I opened up more. I wore a matching lightweight top. I hoped he would take notice and move in on my breasts. They are large and firm. I'd been told that they are everyman's wet dream and I've exploited them that way before.

I began to like Jason more and more. We began to kiss. I felt Jason's tongue. I tugged at him. I wanted Jason and me to make love terribly. I wanted Jason to unbutton my top and release my boobs, undo my skirt, and I wanted him to undress himself or let me undress him. My pussy moistened and dripped. His cock hardened I am sure but I didn't know it. He unbuttoned me as I wished. I smiled with fear. I wanted that but I feared I wasn't doing the right thing either. Once he unbuttoned me completely, he didn't remove my top. He looked inside and was overjoyed with what he saw. I was elated. I was anxious. I was hornier. I wanted Jason so much.

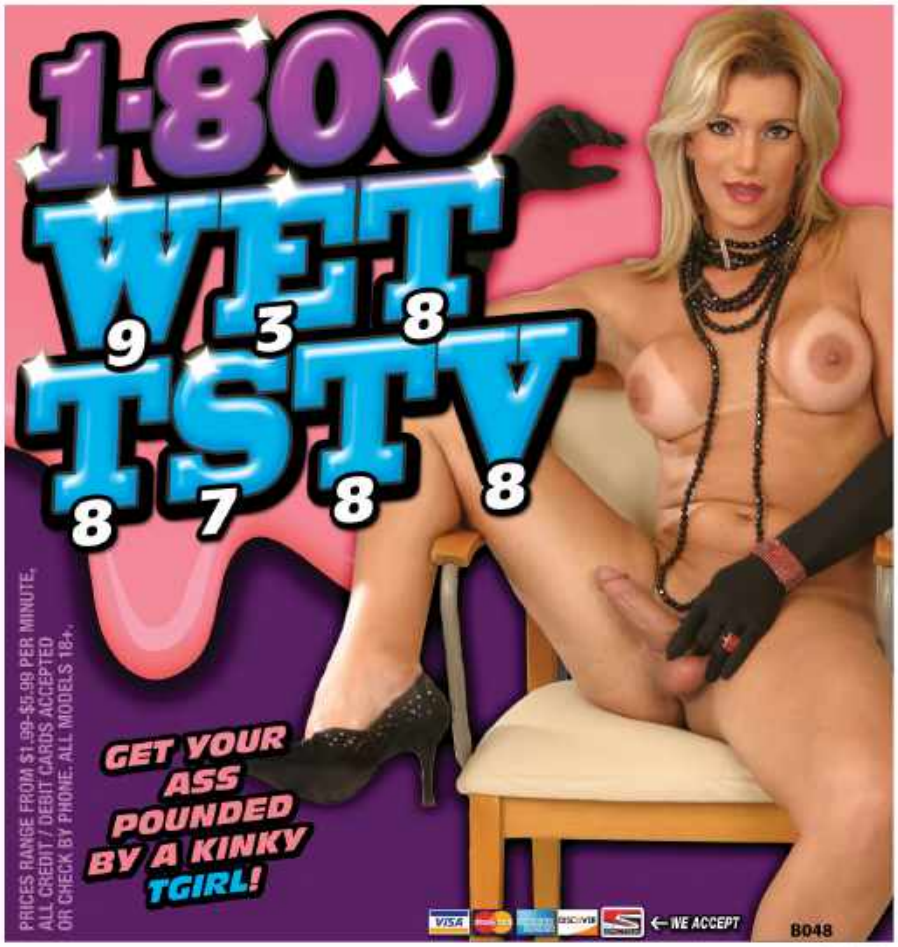

I love my breasts. I wouldn't change them. My roommates and I talked hours on end, privately in our rooms, having all sorts of conversations about them and guys. We laughed and laughed and we even played with them in the privacy of our rooms. But to guys, well guys love girl's boobs. I will never understand why but they hold special powers I sometimes think. So some days, like this week, my breasts are offerings to Jason. I am happy to offer them up to him. I am delighted. As he might think, two delicious mounds for him to enjoy all night long. He smiled and I knew I was right all along. Then I removed my skirt for him too. Doing it said I was ready to make love to him. Jason took off his shirt. I liked Jason's chest right away.

It was manly enough. I rubbed it. I liked it more. He smiled when I did. I asked him if he was smiling because of what I was doing. If it was nice. He said to me, "No, it's awesome." We laughed so I took of my top. He told me he was really turned on. I told him I was too. I asked him to see what I meant and held his hand. He knew what I meant. I led it down between my legs so he could feel my panties. His eyes popped wide open. They were soaked. I blushed because I didn't realize how wet they actually were.

When I felt his bulge, which was magnificent, an indescribable rush flew throughout me. I asked him if I could

take his pants off. He said yes. I was hot all over! I was going insane! I unbuckled his belt, unsnapped his pants, and unzipped them. They fell by themselves to the floor and he stepped out of them. Wearing briefs, I saw the splendor pushing hard against the inside of them. I thought he would be bigger, but he wasn't, and regardless, it didn't matter one bit. His size thrilled me either way. I went down on my knees, slipped his underwear off, looked up at him. I don't know what he assumed but all I did was hold it in my hands. Holding it and staring at it, I stroked it very, very slowly. He loved it. He closed his eyes. I loved doing it, too. Slowly, surely I stroked his shaft, never being aggressive whatsoever. I loved how his cock felt in the clutches of my hands. It was long, stiff and lean just like him. I gave him the best blowjob any woman could give any man.

He was completely naked. He stared at my breasts. Jason, I could tell, adored them. I was overjoyed he found pleasure in them. He lifted me up, removed my bra and panties, and standing completely naked, he stared and stared as if gawking, but he said something quietly as if talking to himself almost. "They are the most beautiful breasts I've ever seen." Then Jason put his arms around me and we kissed and kissed for a very long time. Now both bare naked, I turned holding his hands, and I walked back to my bedroom where I lay on my bed so he could make love to me. Lying next to me, Jason caressed my breasts, and then around them. He kissed them, and the surrounding areas too. Jason quietly kissed or caressed me everywhere. When I say everywhere, I mean anywhere and everywhere. It was and it wasn't intense. Building up to a moment of final ecstasy, Jason's hands swarmed me in areas no one has ever touched me before. Jason's fingers slipped inside my butt cheeks, slowly they inched their way through to my hole, yes slowly, but surely they made their way. Not forcing his way, he subtly slipped his fingers in my pussy wetting them down and delicately went into my ass hole. I squealed when feeling his fingers inside it. I let him proceed. I began to love and enjoy it more and more. I backed my hips into his fingers and told him to replace them with his cock. He did so immediately and I buckled from the largeness creeping into my tiny hole. I grabbed his hips and made him push into me more. Then took his hands and brought them around me and down to my clit. What a feeling. I can't say if I felt it before. My sexuality was blooming and all the sensations seemed amplified. He brought one hand back up to my boobs and gently pinched the nipple.

We fucked like this for several minutes and then I got down on my elbows, lifting my butt higher for him. This was a signal to pump harder and he did. I counted twenty-two strokes plunging thrusts into my ass and felt his warm man juice gush deep in my anus. We collapsed on the bed together, his weight on top of me. I was so turned on that he just touched me lightly on my clit and I came. That night was full on sex and romance. He not only made love to my boobs, he made love to my ass, my lips, my pussy, and more importantly, to me as a woman.

Everyone says they do something better than the next person. Well, I like to put my mouth where the money is, that is the money shot. There's no part of a man's anatomy I don't like and some things I like better than others. That's where I always do the best that I can. No complaints so far.

WHY NOT? I'M HERE AREN'T I?

Do you want to fuck me? I have many reasons you should. I've got two firm and perky ones that are really easy to grasp. I have another reason too. They're jiggly and in need of a soft hand. But I bet your favorite reason is my wet and warm pussy that's eager to be filled with your cum.

TAILGATE

All my life, I've been a tailgater. As a kid, I came to the games with my dad and granddad, who taught me everything they knew. And as I grew into a tall, slim blonde with a rack, I've brought my love of the game, especially the tailgate, wherever I go.

It's a great time, gathering around other fans in a moment when anything is possible. Even in a terrible season, there's the mantra that any given game is a new opportunity, another possibility for a win. With so much energy, sometimes the wild side appears. That happened earlier this season. My husband and I were out before the game like normal, along with a few friends. The drinks flowed, and we were on a small winning streak that added to the energy. And one of my husband's friends bet he wouldn't do me right there in the parking lot.

If there's anything you should know about me, it's that I take bets seriously, and even though he tried to weasel his way out of it, I lowered the truck gate and jumped on, already going to drop my pants before any of them reacted. Even then, they only wanted to lower one side of the pop tent we used for shade while our friends gathered around us as a second shield. Of course, my husband was hesitant, but I gave him a wink and told him it'd be all right, and before he could think about it again, he pulled out his cock and started sliding in and out to a great cheer from our friends around us. It didn't take long for him to find his confidence, and the crowd seemed like they pushed him harder and faster, and it wasn't long before I felt him fill my insides with his thick juice. Finally, he leaned in to kiss me, and our eyes met. I knew what he was thinking because we'd talked about swinging in the past, but now with this audience here, a shared thought passed between us.

He turned to his friends and stepped aside, with my legs showing my open crotch, and he called out to the group, "Who's next?" They all looked at each other before a line of our friends suddenly formed. First were my husband's horny friends who jumped at the opportunity, but then even their wives and girlfriends got in on the act as one of them somehow had a strap-on they were starting to pass around.

I lay in the back of the truck, dicks sliding in and out. I vaguely heard my husband's voice keeping the line. I just held my legs up and enjoyed it. One after another. Some dumping loads, some only getting a few thrusts in, some shooting up over my chest, and even a couple aiming for my ass! I took it all, each motion sending floods of pleasure surging through my dirty body.

I looked up after what must have been the dozenth dick to see a face I didn't recognize and a line going out of the tent. Word had spread as far as my legs. I let out a whoop as loud as I could, enjoying the feel of so many who wanted me, even if only for this. I felt alive and powerful, on my back and in control. I started letting my pussy grab hold of their cocks, pulled them in deeper, massaged them, and squeezed them quicker so we could move on to the next.

I know it's not for everyone, but it was an incredible and electric experience for me! I felt alive in a way that one person alone could never fulfill. I love my husband even more so that he is happy to see me happy in ways most wouldn't expect. When it was finished, he said that 22 guys and chicks slid inside me before he cut off the line to be sure we made it into the stadium for the game. We won that game with 22 points, and it feels like we have a new tailgate tradition!

– Paula M., in the parking lot at the stadium

BLAIR-NTS-09

Round One

I'm the type that knows what I want sexually and I am not afraid to go after it. I make all my classes during the week but when it comes to the weekend, it's my release, emotionally and physically. And when I go out, I'm not looking to pick someone up. I go out to socialize, drink, and to dance. Sometimes dancing provocatively gets me attention that I'm not really seeking. But I'll let myself go and see what happens. However, this night I felt like I really needed a man. But not just any man would do.

I was at the local club just off campus waiting to meet my friends. In the huge mirror behind the bar I could see the entire club, as well as myself. Here at college it was early spring and the temperature was still quite warm, so I dressed in a rather skimpy, tight-fitting black vest, a short, tight black leather mini-skirt and heels. My vest showed my tanned boobs off to perfection. I was known for having bullet-like nipples that tended to poke through the little tops I would wear. Tonight I was sans bra and my nipples were poking hard at the material. Sometimes, they were a pain, but on nights like tonight, they were a definitely plus.

Sitting at the bar I got a text message from my friends saying they were running a little late. So I decided that I might as well make the most of it by ordering another glass of wine from the bartender. 'Fuck it,' I thought to myself. Let me see if I can get some action before my friends arrive. And when they do, they'll have to find there own, because I'm not in the mood to share.

I finished my drink, tipped the barkeep, and decided to check out the club. I made my way to the dance floor and started to look around for a guy that I'd find attractive and unattached. Within a few minutes I saw a guy that fit the bill. In the dark club, he looked about 23 with a nice shirt, jeans properly around his waist, and nice-looking shoes. Very important. As I made my way towards him, we made eye contact at about ten feet and I smiled at him. As he approached me, we instinctively started to shuffle dance, getting closer and closer.

When I dance with a guy, I want to know that inside his pants he's getting gradually harder and harder because of my moves. After about fifteen minutes of dancing with him, kissing and touching him on the dancefloor, I whispered into his ear. "I'm going to fuck you, now... in the restroom." Without giving him the option to answer, I grabbed his hands and started to pull him towards the ladies washroom. The ladies restrooms were generally not monitored. If there was to be trouble, it would most probably come from the men's room. At first, he was a little worried about going in the ladies room, but after I asked him if he wanted to fuck me or not, he complied, holding my hand and slipping into the nearest free cubicle after me.

Locking the door behind us, I told him to sit down and get his cock ready for a action. He did as I asked and pulled his jeans and boxers down. I grabbed his semi-erect cock and stroked it to full hardness. I bent over and gave it a quick lick and straightened back up to slip out of my thong and stuff it in my bag. I lifted my skirt, gently rubbing my clit for a few seconds so he could see, while I continued playing with is cock. Then I decided to get at it. His smile told me he was enjoying himself.

I squatted in front of him, the leather squeaking against my moist skin. I licked my lips as he watched and I totally engulfed his cock in one motion. It disappeared entirely in my mouth; my lips closed around it; and I slowly backed off eyes looking up at him. I started to give him my special blow job moves and I sensed he knew it. I licked and sucked

all around his penis and dug my nails into his lower back as I pulled his hips into me to swallow that cock of his.

I then pushed him down on the seat and straddled him. First, I lifted my skirt even more and put my wet pussy near his face. He leaned forward as if to lick it but I sat down on his cock too fast. By this time, I was dripping wet and his cock slipped inside me with relative ease. I could feel his muscles twitch as he felt me tighten myself around him. As I lowered myself onto his lap, I put my hands on his shoulders and looked directly into his eyes while I grinded on him.

I undid the remaining buttons on my vest and my boobs bounced out off their restraints. My nipples were hard, and I knew if he sucked them, it would get me closer to the edge. After a few minutes of sliding slowly up and down the shaft of his cock, I could tell by the increased rate of his breathing and the way his legs were starting to twitch that he was close to cumming.

I needed to get closer myself, so I jammed my body down on him and changed from my previous gentle motion to a much harder grind in a forward and backward motion, making sure my clit was pressing hard against the base of his cock.

But I still wasn't ready to cum, so I stood up and turned around to face the door and I bent over to shove my butt in his face. I wiggled backwards until I felt his lips on my pussy. His hands came around and pulled me deeper into him. I felt his tongue lick my outer lips and push it's way into my sopping wet hole. I reached up to brace myself on the door and bent over more to give him better access to me. His hands moved around to my butt and he squeezed my buttcheeks sending me deeper into pleasure.

I felt his tongue slide up and lick my butthole, but I'm not ready for that with him, so I pullled myself forward, reached down between my legs, grabbed his cock and guided it into my pussy as I sat down on him, reverse cowgirl style. With hands on my hips, he pulled me down and the final workout began. I bounced up and down on his cock, shaking the toilet and stall. He struggled hard to stay on the seat, but still managed to grab my boobs from behind and pinch my super-hard nipples. All this was now starting to really send me over the edge. And him too apparently.

As I felt him begin to tighten up, I reached under and grabbed his swollen balls and spun them around in my clutch until he came inside me with a muffled scream. The feeling of his hot cream spurting inside me felt fantastic but it didn't quite push me over the edge. I'm glad he came, but I needed it, too. With his withering cock still in me, I quickly started to rub my engorged clit and within a few seconds, I felt the wave of an orgasm start to spread throughout my entire body. It's what I worked hard for.

Suddenly, I realized I didn't actually know his name but gave him a quick peck on the cheek and following a quick clean-up, we opened the cubicle door and walked out of the stall. My sense of pleasure was enhanced by the knowing glances and smiles I received from the other ladies in the restroom. All our bumping and humping must have made a small racket. Admittedly, we were so unaware of others being in the restroom, but fortunately for us, they were all cool.

We headed back into the club and settled again at the bar. The music seemed to be on the recycle setting, loud and rythmic. He ordered up a couple drinks for us as I felt a small hand on my shoulder. It was my girl friends finally arriving – an hour too late, it seems to me.. But I didn't mind. I had spent the time the way I wanted. I didn't even bother to introduce them to him. After a while, I told them I had to use the ladies room. I looked over at him and left first. A few minutes later he followed me for round two!
